

902 DRIVERS LCS

Electronic driver

SPECIFICATIONS

DRIVERS LCS

GENERAL

Our drivers are provided with steel housing

DRIVERS TECHNICAL

- high efficiency
- reinforced insulation from input to output
- fully protected:
 - against short circuit
 - against input voltage surge
 - against thermal
 - over voltage protection

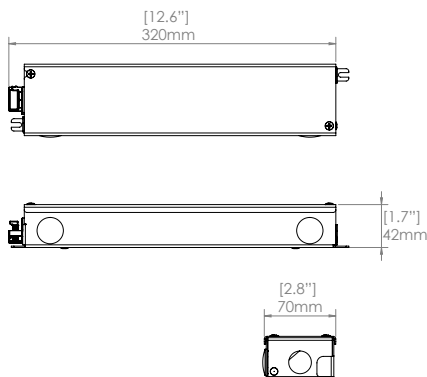

ENCLOSURE TECHNICAL

- galvanized steel housing

ELECTRICAL

- 0-10V dimming
- universal input 120-277 Volt
- dimming range 10%-100%

DIMENSION

Please specify:

- MODEL ☐ **902** – driver
- CONSTANT CURRENT
- 24 VOLT ☐ **24060-LCS** – 60W
- ☐ **24096-LCS** – 96W
